Dear FOIA Officer:

The Centers for Disease Control and Prevention and Agency for Toxic Substances and Disease Registry (CDC/ATSDR) received the enclosed Freedom of Information Act request from Alston & Bird LLP. Ms. Diane Wizig is now serving as the point of contact for this request. Ms. Wizig's firm is seeking records related to the Oakwood Mobile Home Park in Athens, Georgia.

Our search for responsive records produced emails (4 pages) that originated with the U.S. EPA. These records are being referred to you for review, a determination of releasability, and for your direct response to the requester.

A large portion of the first page of records contains CDC/ATSDR-generated records. We have redacted two portions of CDC/ATSDR-generated records under FOIA Exemption 6 (personal email address and name of petitioner).

If you have any questions about this referral, please contact Ms. Laura Spencer of this office by phone at 770-488-6290, or via email at vbz00@cdc.gov.

Sincerely,

for Katherine Norris
